Forecast For Tayside, Central & Fife
Issued by Met Office Aberdeen
at 0400 on Monday 23 Aug 2021

++ Valid for broadcast between 0600 and 1800

Headline:
A warm day with some brighter spells, mostly dry.

Today:
Feeling warm. Most staying dry with some bright or sunny spells, these best during the afternoon for western Perthshire. However a few light afternoon showers may break out, mainly confined across western Tayside and Central. Low cloud around Angus coast. Maximum temperature 22 deg C (72 deg F).

Tonight:
A bright evening leading to a dry night. Low cloud and mist spreading around coastal areas but may clear later in the night. Light winds. Minimum temperature 12 deg C (54 deg F).

Tuesday:
Dry and warm with some spells of sunshine. Overnight low cloud cloud may linger around the Angus coast during the day. Maximum temperature 24 deg C (75 deg F).

Outlook for Wednesday to Friday:
Warm and sunny for inland areas but haar and cloud will persist around the coasts and push inland Wednesday. Fresher cooler conditions will clear low cloud on Thursday and Friday.
